## STEP 6 🗐 READ AND SIGN

I'm signing this application under penalty of perjury, which means I've provided true answers to all the questions on this form to the best of my knowledge. I know I may be subject to penalties or be liable for overpayments under federal law if I provide false and or untrue information.

I know I must tell the Oregon Health Authority (OHA) if anything changes and is different from what I wrote on this application. I can call **1-800-699-9075** to report any changes. I understand that a change in my information could affect the eligibility for member(s) of my household.

I know that under federal law, discrimination isn't permitted on the basis of race, color, national origin, sex, age, sexual orientation, gender identity or disability. I can file a complaint of discrimination by visiting **www.hhs.gov/ocr/office/** 

I have read the *Application Guide* and agree to all sections. (You can find the *Application Guide* online at **www.OHP.oregon.gov**.)

State law says that all individuals receiving Oregon Health Plan (OHP) automatically give OHA the right to payments from others that were legally liable to pay some or all medical expenses for those individuals. This includes other health insurance, liability insurance or other individuals. It also includes any payments that are due to you because another person injured you. The right to the payment will not exceed the amount paid by OHP or your coordinated care organization.

I agree to notify OHA (or its designee) and my coordinated care organization when I am pursuing a claim against anyone who injured me or another member of my family who receives OHP and, when requested, to provide information that is needed to get the reimbursements.

### **USE OF SOCIAL SECURITY NUMBER (SSN)**

These federal laws say that anyone applying for medical benefits must provide an SSN: Federal laws - 42 USC 1320b-7(a), 7 USC 2011-2036, 42 CFR 435.910, 42 CFR 435.920, 42 CFR 457.340(b). When you write your SSN on the application it means you give permission to OHA to use it and tell others about it for these reasons:

- To help us decide if you qualify for benefits. We will use the SSNs you provide to make sure the income and assets you listed on this application are correct. We will match information from other state and federal records, such as the Internal Revenue Service, Department of Revenue, Medicaid, child support, Social Security and unemployment benefits.
- To write reports about the Oregon Health Plan.
- To administer the program you apply for or receive benefits from, if necessary.
- To help us improve programs by doing quality reviews and other activities.
- To make sure we have given you the correct amount of benefits and to recover money if we have overpaid benefits.

### YOUR RIGHT TO A HEARING

If you disagree with the decisions OHA makes regarding your eligibility or you do not get a decision from us within 45 days, you have the right to request a hearing. You also have the right to choose an authorized representative to act on your behalf during the hearing process.

We encourage you to call us at **1-800-699-9075** to ask questions about your eligibility or the process, or provide us with additional information about yourself and/or your household.

If you want a hearing, you must request it within 90 days of the date on the eligibility notice you will receive (in the mail or email). Your deadline to request a hearing does not change even if you contact us.

Most OHP members are enrolled in a CCO in their area.

A CCO is a local network of all types of healthcare providers that include physical health, addictions and mental health, and, sometimes, dental care providers. These providers work together in their communities to serve OHP members.

You can tell us your first and second choices for CCO. To find a list of CCOs in your area and to find out more about them, go to **www.OHP.Oregon.gov**. You may want to ask your provider(s) which CCOs they accept. In addition, different CCO enrollment options apply to individuals who receive Medicare. Please see the *Application Guide* for more information if you receive Medicare.

### Note: Tribal information for people who qualify for OHP

Please note the following for any household member who: 1) is an enrolled Tribal member, 2) has a parent or grandparent who is an enrolled Tribal member, and/or 3) is eligible for services at Indian Health Services, Tribal Health Clinics and Urban Indian Clinics:

- If you qualify for OHP, you will be covered by an open card, **UNLESS** you choose to enroll in a CCO (if available) by entering your choices below. If you do not want to enroll in a CCO, do not enter anything in the boxes below.
- You can still get care through Indian Health Services, Tribal Health Clinics and Urban Indian Clinics whether you're enrolled in a CCO or on an open card.

### **CHOOSE A CCO**

Use the boxes below to tell us which CCO you prefer. You are not required to choose a CCO now. But, if you do not make a choice now, a CCO will be selected for you based on where you live (unless the Tribal exceptions listed above apply to you).
